

## Oberammergau Passion Play Extension

### Day 10: Sat., Sept. 17, 2022 • Rüdesheim

Upon our arrival in Frankfurt we meet our driver and make our way to Rüdesheim. Upon our arrival we board the ship for an excursion along the most beautiful section of the Rhine. After passing the famous Lorelei Rock, we disembark at St. Goarshausen, and drive back to Rüdesheim. We enjoy a wine tasting with our dinner this evening. After dinner you might like to stroll through the Drosselgasse, a small lane filled with wine bars, live music and good food. **D**

### Day 11: Sun., Sept. 18, 2022 • Rothenburg ob der Tauber

We drive a short distance this morning to Rothenburg ob der Tauber, one of Germany's greatest treasures - the city that time passed by. Preserved as a kind of a national monument, no one is allowed to change anything within the city walls, which date back hundreds of years! After checking into our hotel, we walk to St. Jakob's Church where we view the high altar, also called the Twelve Apostles Altar. We have free time to explore this wonderful town before heading back to the hotel for dinner. After dinner we take a Night Watchman tour where we learn more about this medieval town. **B, D**

### Day 12: Mon., Sept. 19, 2022 • Oberammergau Area

After breakfast we board our coach and drive the Romantic Road stopping in the medieval town of Dinkelsbühl and in Augsburg. We continue to the

Oberammergau area for overnight, arriving with time to explore on our own. Perhaps a trip to the Ettal Abbey, trying a beer brewed locally by the monks or a cheese tasting is the perfect end to your day. **B, D**

### Day 13: Tues., Sept. 20, 2022 • Oberammergau Area

Today is the highlight of the tour, the world-famous Passion Play. This play has been performed by the townsfolk since their ancestors made a promise to God to save the village in 1634. All the performers were either born in the town or have resided there for over 20 years. There is time this morning to visit the woodcarvers, painters, and other shops and galleries in town. In the afternoon and evening we will watch the performance of the play, with excellent, pre-reserved seats. **B, L, D**

### Day 14: Wed., Sept. 21, 2022 • Innsbruck, Austria

Today we travel to Innsbruck, Austria, the provincial capital of Tyrol. This beautiful alpine destination with its historical buildings, breathtaking scenery and snow-capped mountains is one of the most wonderful places to visit in Europe. The town was first recorded by its present name in 1187. Around 1420 the archduke Frederick IV built a new castle here and the town became Capital of Tirol. Within the town there is a striking contrast between old and new. One of the finest of the older buildings is the Franciscan or Court Church, built mainly in Italian
